## 1 Introduction

Digital Core Technologies has been supporting the community around it in the form of scholarships to deserving and needy students, donations in kind to deserving educational institutions and the students there, financial help to tide over natural calamities by the farmers, etc. since its inception.

The Constitution of the current CSR Committee of the board is as follows:

- Sri SM Balasubramaniyan, Chairman
- Sri S Thomas, MD
- Sri Aneeshkumar VR, Director

A CSR Facilitation committee of Implementation team consisting of a Director and 4 executives of the company was also formed to plan, track and operationalize the decisions of the CSR committee.

The Constitution of the current CSR Facilitation Committee is as follows:

- Sri Abhilash VR, Director
- Sri Manu KM
- Sri Martin George
- Sri. Nidhin K
- Sri Niju K Jacob

The CSR Policy of Digital Core Technologies is available in the company website as required by regulations.

A sum of Rs. 16 Lakhs was assigned towards the CSR activities for the FY 2021 – 22 which was marginally more than the compliance amount calculated.

## 2 Activities For 2021 – 22

The CSR activities for the year were carried out through the following two implementation agencies which are authorized for this purpose by the government.

### 2.1 DCT SPaCE (DCT Society for Professional and Community Enrichment)

This is a society incorporated in 2016 by the members of DCT to promote community support activities.

**Project\_1: YES (Youngsters Educational Support)** is an ongoing project of supporting needy and deserving students of schools and colleges with scholarships in consultation with the management of their schools and colleges.

The fund spent on scholarships and donations in kind to schools -Rs. 9.72 Lakhs.

Figure 1: Smartphones and Books for students in the Chellanam area.

**Project\_2: Medical Equipment Support:** There is a charitable trust run by Dr.Vincent Xavier called *AMMA charitable trust Seethathodu*, Pathanamthitta district, state of Kerala. It's exclusively for the development of the tribals in and around the Pathanamthitta district.

A team of members from DCT visited and understood its activities. Currently, the trust is running manly from the salary of Dr. Vincent Xavier. So, as per the request we purchased one Philips Multiparameter Monitor for the trust.

The fund spent for medical equipment purchase: -Rs. 93,000.

**Project\_3 : Sneha Bhavanam** is a new initiative to support the poor and deserving people in our community for housing infrastructure development.

The fund spent on house repair for 3 deserving people -Rs. 3,85,000.

## 2.2 Dr. Salim Ali Foundation

Dr. Salim Ali Foundation is a public charitable trust established in 2006, working towards sustainable development through co-operative organic farming, especially in rural areas.

Project: Sustainable Model village: Promoting organic farming and sustainable practices toward a model panchayat

Funds spent on procurement of Farm equipment for organic farming -Rs.1,50,000
