1. Introduction

Digital Core Technologies has been supporting the community around it in the form of scholarships to deserving and needy students, donations in kind to deserving educational institutions and the students there, financial help to tide over natural calamities by the farmers, etc. since its inception.

The Constitution of the current CSR Committee of the Board is as follows:

1. Sri SM Balasubramaniyan, Chairman
2. Sri S Thomas, MD
3. Sri Aneeshkumar VR, Director

The CSR Facilitation Committee, comprising one Director and four executives of the Company, was also formed to plan, monitor and operationalise the decisions of the CSR Committee.

The Constitution of the current CSR Facilitation Committee is as follows:

1. Sri Abhilash VR, Director
2. Sri Manu KM
3. Sri Martin George
4. Sri. Nidhin K
5. Sri Niju K Jacob

The CSR Policy of Digital Core Technologies is available on the Company's website in accordance with the applicable regulatory requirements.

An amount of 10 lakh was allocated towards CSR activities for FY 2023–24, which was marginally higher than the prescribed CSR expenditure requirement

2. Activities for FY 2023-24

The CSR activities for the year were carried out through the following implementation agencies which are authorized for this purpose by the government.

1. DCT SPaCE

DCT SPaCE is a society registered in 2016 by members of Digital Core Technologies to promote community development and support activities..

Project: YES (Youngsters Educational Support) is an ongoing project aimed at providing scholarships to needy and deserving students pursuing education in schools and colleges, in consultation with the respective school and college managements.

The amount spent on scholarships and donations in kind to schools was 8.69 lakh

2. Dr. Salim Ali Foundation

Dr. Salim Ali Foundation is a public charitable trust established in 2006, working towards sustainable development through co-operative organic farming, especially in rural areas.

Project: Sustainable Model village: Promoting organic farming and sustainable practices toward a model panchayat

Funds spent on procurement of farm equipment for organic farming -Rs.1,31,000
